CHURCH PARKING LOTS

As you all have noticed our parking lots are in really bad need of repair. Each spring for the last several years holes have been patched up but they are loosened again with the frost and more holes created.

The Diocesan insurance company has told us, after inspection, to repair the lots which are a liability issue. Our building and property committee worked diligently to assess everything and secure bids. Approval was given by the Diocesan Property, Planning and Building Committee.

The majority of the repair, which will add an additional 30 spaces, is scheduled to be done this year and the remainder next year. **This phase will cost \$129,000 plus HST.** The parish is in good financial standing but this will be quite a dip in the funds and we need to make sure there is enough left for regular payments and emergencies.

Envelopes can be found at the church doors for your support in this necessary capital project. Thank you.

The Mass is God's gift to us! What is our gift to God? Just think of the impact we could have on the world if each of us not only went to Mass every week, but also added one more gift to God!

Can we be like Daniela who **looks after flowers for the sanctuary** - or Jacob who **helps with the youth** - or Rebecca who **leads Kid's Church**?

Please take a look through our Mass + 1 display in the Narthex and reflect... pray about where God is calling you to serve! Then take the next step, and commit to serving.

What's your +1?

HALF TRUTHS

A half-truth is a statement that includes some element of truth; the statement might be partly true, but in leaving out the rest of the truth, it brings about a deception. The half-truth often leads us to embrace a whole lie. In this series, we will confront popular misconceptions and errors in thinking that our culture believes. Four of the five weeks of this series deal with basics of our faith: the Ascension, Pentecost, the Trinity and Corpus Christi. We will explore each of these truths of our faith and show the popular misconceptions they refute, including: *there are many ways to God, all religions are the same, you don't need a Church to connect with God, The Holy Eucharist is just a symbol, and God won't give you more than you can handle.*
