## GIVING TO THE CHURCH

If you ever noticed that the person next to you at Mass didn't put anything in the collection, they are probably giving through our Electronic Giving Program (pre-authorized giving from their bank account). It saves you the hassle of trying to remember the envelope before rushing out the door or if you have cash on hand. With this method, you know your parish will still benefit from your generosity when you are traveling. Contact the Parish Office or staff at Mass to sign up or learn more. E-transfers and using your credit card through Canada Helps are also other options.

**"Without cost you have received  
without cost you are to give."**

**Give thanks to Christ,  
and thank you for supporting your parish.**
