VINNIE'S THRIFT STORE

is in desperate need of all types of clothing for men, women and children. They are also looking for all types of household items. Donations can be dropped off at the rear of the store, 799 Erskine Ave., during open hours.

Please consider Vinnie's instead of other thrift stores. After minimal administration costs, ALL proceeds stay in Peterborough to help SVDP Food Pantry and the less fortunate. Thank you for your help.

WELCOME!

We are so glad to have so many new members and visitors with us here at St. Alphonsus Liguori. We are a community, working together to help people encounter God and grow in their relationship with God. We believe that faith is a journey. No matter who you are or where you are on the journey, you are welcome.

Rite of Christian Initiation for Adults

It is the Catholic Church's way of initiating new members. RCIA is much more than a program. It is a learning and loving process in which conversion of the heart bring one to Jesus Christ.

RCIA is an opportunity:

- For those who have not been baptized.
- For those who have been baptized in another faith.
- For those baptized Catholic but received no other sacraments
- For those who want to learn and ask questions about the Catholic Faith.

Through weekly meetings, those attending gain a deeper appreciation and understanding of the Catholic beliefs and practices. All are welcome and there is no obligation to make any commitment to become Catholic.

A new RCIA program will begin in the fall. Contact the office for more information.

PORTICO UPDATE

We are writing to provide an important update regarding our Portico repair project. Thanks to your generous contributions, we have successfully raised funds to address the necessary repairs. Your support has been overwhelming, and we are deeply grateful for your commitment to this cause.

However, after conducting a thorough and detailed study of the Portico's condition, it has become clear that a simple repair will not provide a permanent solution to the issues at hand. The study revealed that the underlying structural problems are more extensive than initially anticipated, and merely patching up the surface would not suffice in ensuring the long-term safety of the Portico. In light of these findings, we have decided to pause our immediate repair plans. We are currently in the process of obtaining new quotes for a more robust and lasting renovation. Our goal is to ensure that the Portico not only meets safety standards but also stands strong for many years to come. This may involve a more extensive rebuild rather than a simple repair.

We appreciate your patience and understanding as we navigate this process. We will keep you informed of the developments. Thank you once again for your unwavering support.

Sincerely,
Property Committee
